Michael Neyelle, Chairperson  
Sahtu Renewable Resources Board  
PO Box 13

February 26, 2016

Dear Mr. Neyelle:

**RE: Sahtu Renewable Resources Board – Public Hearing on Management of the Blue  
Nose East ?ekwe (Barren Ground Caribou) on March 1 to 3, 2016**

On February 25, 2016 the Board of Directors of the Norman Wells Renewable Resources Board had a meeting and supported the position and motion made by the Colville Lake Parties on February 23<sup>rd</sup>, 2016 for the Public Hearing on the Management of the Blue Nose East caribou to be held in Deline March 1 to 3, 2016.

The Board of Directors of the Norman Wells Renewable Resources Council agree that a resolution has to be found on the issue of "Conflict of Interest" of three Board of Directors of the Sahtu Renewable Resources Board and also being involved in the development of the "Plan".

The Norman Wells Renewable Resources Council cannot send anyone to the hearing due to other very important commitments. We all agree that the hearing is very important and there is a need for a Management Plan. The Board wants to ensure the issue of "Conflict of Interest" is addressed.

Yours Truly,

Ruby L. McDonald  
Secretary-Treasurer
