Dear Mr. Kochon,

Please accept this in response to your fax "re: proposed composition work" received Oct 9th, at 15:50.

After the conversation on October 5th of last week, ENR Sahtu staff further discussed the topic with the SRRB. Later on October 5th it was decided that ENR Sahtu staff will not conduct the proposed fall composition work in question.

Regards,

Boyan Tracz
 Cumulative Effects Biologist, ENR, Sahtu
